The State College Borough Water Authority has added "Automatic Bill Payment" to our list of payment options effective July, 2000. First National Bank is administering this program through ACH (Automatic Clearing House), a nationwide electronic payments network used by more than 22,000 participating financial institutions.

Once you have completed the Authorization for *Automatic Bill Payment* form, return it to the Authority at the address listed at the top of the letter. **Please be sure to include a voided check with your returned form.** First National Bank will not be able to process your account without a voided check. **Also, your account must be paid in full prior to adding you to our Automatic Payment Program.** Please remember, if you **change** your account or banking institution, you must complete a **NEW** Authorization form. To request another form, contact our office at 814-238-6766. We would like to thank you for your interest in this new method of payment, and to help answer any questions you may have concerning Automatic Bill Payment, we have included below a list of the most frequently asked questions and answers about ABP.
